### Experience and Expertise

Jeff Mepham is a Chartered Accountant in the Forsythes Forensic Accounting division, having joined the firm in February 2006. Jeff has 18 years experience in Chartered Accounting.

### Professional Background

Jeff has experience in providing a range of valuation services for both Family Law and commercial matters. His background of providing accounting and taxation advice to small to medium businesses and individuals gives him a sound basis for the analysis of the financial and taxation issues that may arise when assets and superannuation are split for the purposes of Family Law proceedings.

### Professional and Academic Qualifications

- Chartered Accountant - Institute of Chartered Accountants in Australia
- Bachelor of Commerce, University of Newcastle
- Completing Masters of Forensic Accounting degree
